25 YEAR RE-REVIEW

5 November 1963

MEMORANDUM FOR: Director of Central Intelligence

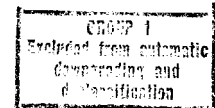

SUBJECT: Department of the Air Force
Top Secret Clearance Policy

1. This memorandum is for your information only.
2. It has been reliably reported that the Department of the Air Force has established a policy as of 30 October 1963 that an OSI full background investigation, as well as National Agency Checks, will be required for all Top Secret Clearances for Air Force personnel.
3. No longer will the Air Force utilize National Agency Checks and ten years of military service as a basis for a Top Secret Clearance. It was estimated that this will require a background investigation on over one thousand Air Force personnel stationed at the Pentagon.
